- I agree to abide by the policies and rules set forth by the Big West League, as well as my school's athletic policies.
- I agree to see that all team members are properly supervised during all practices and games.
- I agree to model and enforce respectful Christian behavior in words and actions towards my players, referees, coaches, opposing teams, parents and all those in authority to ensure a positive experience for all involved.
- I agree to report all injuries to the proper authorities (Athletic Director of my school and Host Gym Supervisor).
- I agree to contact my Athletic Director in the event that my team would forfeit due to an inadequate number of players and follow the prescribed league rules to fill that position.
- I agree to be positive and encouraging when instructing and correcting my players.
- I agree to make sure my team cleans up their bench area and is respectful of all facilities they use (this includes our practice gym).
- I agree that I have successfully completed a "Protecting God's Children" (Virtus) session.
- I agree that I have successfully completed the online IESA concussion education requirement through my school and have read the Big West Catholic League Concession Policy and Procedure Guidelines.
- **I agree that I have successfully completed all training mandated by the Diocese of Joliet, State of Illinois and my school that is required by a volunteer working with children.**
- I agree that if in the opinion of the Big West League Officers, Principals, or Athletic Directors I am not abiding by said Code of Conduct, I may be asked to withdraw from the program.

I have read and understand the above Code of Conduct.
