

# **Principal/Athletic Director Support Agreement**

## **2023-2024**

We have received a copy of the rules and By-Laws of the Big West League. As a Principal and an Athletic Director of a member school, we will support the By-Laws, and will work with the league in resolving any problems with our school's participation, if and when necessary.

We agree that our coaches have all successfully completed a Protecting God's Children session, the online IESA concussion requirement through our school and all training mandated by the Diocese of Joliet, State of Illinois and our school that is required by a volunteer working with children. Also, we affirm that all our coaches have read, understood and signed the Big West League coaches code of conduct form. These forms will be made available to the league at any time if they are requested.

It is also understood that if our school does not submit completed rosters to the league commissioner by the first game of the season, our school will not be allowed to participate in league games until those completed rosters are submitted.
